

## Table tennis

### Serving

- Ball in open hand
- Toss it up
- Doubles- hit diagonal
- Singles- hit anywhere
- 2 serves in a row
- If ball hits net and goes over it is a redo –called a LET--- 2 LETS = point
- Ball hits net and stays on servers side it is the opponents point.
- Play to 11 points
- Must win by 2 points.
- If score is 10 to 11 it is called an advantage and the person with the lower score serves. If score goes from a 10-11 to 11-11 tie this is a deuce and the same person serves the ball.

### Volleying

- Ball MUST bounce on your side before being returned to the opponent
- Ball can only bounce one time on your side.
- Cannot hit the ball out of the air.
- Pay attention to the direction of your paddle that is generally the way your ball will go.
- Can't touch or lean on table
